Dear teacher,

Teacher's first name

After this level D. I hope to repeat this class, level D. My reasons are ^{as} follows.

First. My ability of the listening & speaking is not suited to the level D. The ability of listening and speaking has only a small percentage of 50.

Second. I master only a limited basic words of English, so usually I have some difficulties in writing & reading.

Third. If let me go out of level D, I'

lose the opportunity of studying English. Because I'm not able to go the EUNL & ABC (or GED) economically.
